The Honorable Richard W. Knepper
Court of Appeals of Ohio
800 Jackson Street
Toledo, OH 43624

We were able to utilize the mediation services of Judge Richard W. Knepper recently. Judge Knepper successfully mediated a very difficult case with us. Because of his extensive experience in the trial court and the Court of Appeals, we found Judge Knepper to be very valuable as a mediator.

We highly recommend the services of Judge Knepper to all who are in a position to mediate any prospective or pending litigation. We are confident that he will provide the same high degree of professionalism and attentiveness that he exhibited throughout the course of our recent mediation.

Very truly yours,

MURRAY & MURRAY CO., L.P.A.
